

Grant Highlights

Grants may be used towards activities, services or equipment that will increase an individual's quality of life.

Examples include, but are not limited to the following:

- ❖ Home modifications to improve accessibility
- ❖ Adaptive equipment
- ❖ Assistive technology
- ❖ Therapies or services not covered by insurance
- ❖ Recreation center membership

Colorado Fund for Muscular Dystrophy

The Colorado Fund for Muscular Dystrophy (CFMD) was established in 2012 by friends and family of Aileen Colorado, who passed away from complications of pneumonia in 2011. Born with Congenital Muscular Dystrophy, Aileen never let her disability stop her from living a fulfilling life and career.

In memory of Aileen, CFMD made it their mission to increase the quality of life of individuals with muscular dystrophy or a neuromuscular disorder.

CFMD Grant

Living with muscular dystrophy or a neuromuscular disorder can be costly. Individuals may need various types of equipment, therapies and modifications to maximize their independence. Expenses for these services are not always covered by medical insurance and can run thousands of dollars out of pocket. The Colorado Fund for Muscular Dystrophy (CFMD) grants are available to help with these costs for individuals who need financial assistance.

Application Process

CFMD Grant applicants must

- ❖ Be a resident of the United States
- ❖ Have a diagnosis of any form of muscular dystrophy or a neuromuscular disorder, including but not limited to the following:

Amyotrophic lateral sclerosis, Charcot-Marie Tooth disease, Congenital Muscular Dystrophy, Multiple Sclerosis, Myasthenia gravis, Myopathy, Myositis, Peripheral neuropathy, Spinal muscular atrophy)

Download the application form from the CFMD Grant website at <http://www.coloradofmd.org/grants/> or request a copy of the application by email (info@coloradofmd.org) or mail.

Submit a completed grant application by email (info@coloradofmd.org) or mail to the Colorado Fund for Muscular Dystrophy address. Attach the required paperwork.

Applications will be reviewed within a week of receipt. You will be notified by email or mail if you are approved to receive the grant.

The maximum request amount per application is \$1,000, payable to a single vendor

If we cannot grant your request for assistance, we will make an effort to suggest other resources that may meet your needs.

Grants may be awarded based on availability of funds
